EDUCATION

B. Tech in Artificial Intelligence and Machine Learning
NMAM Institute of Technology 2022-2026

Grade 12

Sri Venkatramana PU College 2022

PROJECTS

SAHAYATHA BHARATH

I made this as a part of a school project.

This website is a completely responsive website made using REACTJS and Tailwind CSS. It helps you filter and go through national and local schemes and get more information on it.

CURRENTLY WORKING ON - ECommerce Website

Vijaya Textiles - A full fledged online clothing store. I am working on both the user and admin end of the e-commerce website.
